Workshop Descriptions

#2019-1 Special Education for ESP

ESPs are key members of the school team supporting students with disabilities. This session will provide support professionals with an overview of current special education rules and issues. Topics will include: laws and regulations; the impact of E.S.S.A. 15; student discipline, dyslexia; autism; confidentiality; professional development and more.

#2019-2 Building Respect for Diversity

Education professionals learn how to foster harmonic relationships utilizing techniques that develop sensitivity to and respect for people whose race and ethnicity are different. The materials shared in this workshop offer bridge-building skills to support and value diversity effectively within groups and to enable students and educational staff from different backgrounds and perspectives to work in harmony.

#2019-3 Teaching Students Responsible Digital Citizenship

This workshop will help teachers learn how to teach students to be safe on the internet and to create a positive digital footprint. In this session, we will discuss and explore the principles of internet privacy and safety; responsible use of electronic communications; as well as the principles of digital copyright.

#2019-4 LGBTQ+ An Overview

Understanding sexual orientation and gender identity is Key to reaching non-conforming students and providing a safe and successful learning environment. This learning experience will help educators develop an appreciation of the role issues of orientation and identity play in the lives of our students and develop strategies to support those students in their learning.

#2019-5 Using the Anti-Bullying Bill of Rights to Change School Culture

First, this workshop will focus on the Anti-Bullying Bill of Rights and its impact upon school staff, students, and school districts. However, combating bullying is not just about compliance, but also about changing school culture to provide a safe environment for all students. Consequently, we will also focus on developing strategies for improving school culture, and consequently, preventing bullying.

#2019-6 Restorative Practices
